This year, between the 4th and 5th of September, within the Covasna city days, two major events will take place, the 5th edition of the **Cluster Conference** and 7th **Traditional Gastronomic Festival**.

We propose the following issues to be discussed:

- Networks of sectorial clusters. Economy fields where it would be appropriate.
- Trans-sectorial cooperation. Cluster cooperation platforms. Identify common interests.
- Regional cooperation. Regional development strategy and clusters.
- 'Creative' and multi-sectorial clusters
- Areas where the importance of clusters should be enforced
